Staffing solutions at work for Federal clients

CONNECTING FEDERAL CUSTOMERS TO THE STAFFING RESOURCES THEY NEED

CAMRIS TeRM Staffing

Our **Technical**, **Research** and **Medical Staffing** program – helps our clients to meet their staffing needs including professional and technical staff, managerial staff, and administrative and support staff. Additional “value added services” draw upon both CAMRIS Consulting and CAMRIS Technology groups as needed to provide a full range of program support services.

CAMRIS TeRM Staffing utilizes multiple government contracting platforms, including task orders, GSA Schedules and government-to-government IDIQ programs. CAMRIS is a certified **8(a)**, **SDB** and **SDVOB** firm, allowing Federal sole source contracting up to \$3.5 million per work order. These ceilings do not apply to set-aside contracts. CAMRIS also holds several general ordering IDIQ and IQC contracts.
